

SUMMER IS HERE!

LET'S GET PREPARED

ARRIVAL AND DEPARTURE INFO

ARRIVAL begins Sunday night at **6:30 PM**. You may arrive early, but will not be able to begin the registration process prior to 6:30 PM. Anyone who has ALL medical, and payments complete will be sent to the EXPRESS REGISTRATION, so it pays to get your information to camp PRIOR to your camper's arrival.

DEPARTURE begins Friday night at **6:30 PM** when we play our end of the week video. We welcome any parents/guardians to join us for the viewing. After the video you will sign your camper out by showing your photo ID to your camper's counselor.

If someone other than yourself will be picking up your camper, please make sure that they are listed on the APPROVED PICK UP list of names. They must still show their photo ID as well.

Please have all camp forms (Doctor's Orders, health insurance, allergy information, and paintball release) ready to hand in at the registration table. Bistro money can also be added at this time.

HEALTH AND SAFETY

All campers must have this form for the nurse to dispense any medication. Even if your camper has attended before, New York State requires a new copy each year of both the Over-the-Counter Doctor's Orders form (downloadable) and the immunization record. The links to these forms are on our website.

Most local doctor's offices are familiar with this process and can fax the documents to us at (716) 287-2216 or email them to office@bethanycamp.org.
